- **Results:** The results shall be displayed clearly, sequentially and accurately.

- **Margins and references:**

- The margins at the end of the paper shall be documented as follows:

In the margins, it is enough to write the author's family name, the title of the research/book in brief, and then the volume, if there is any in the same page. For instance: Al-Muqri, *Nafh Al-Tayeb*: 1/100. If there is no volume, the page number is written directly. For instance: Saussure, *General Linguistics*: 100.

- The sources and references data shall be documented as follows:

a. Manuscripts: The author's surname, The author's first name, the title of the manuscript, its place of preservation and its number.

For example: Al-Akbari, Abu Al-Baq'a Abdullah Ibn Al-Hussain (616 AH), *E'rab Lamiat Al-Arab Lil Shanfari*, A'arif Hikmat Library, Medina, Saudi Arabia (Literature, 77).

b. Books: The author's surname, The author's first name, the title of the book, the country of publication, its place, the edition, and its date.

For example: Al-Muqri, Ahmed Bin Mohammed, *Naful Teeb Min Qusn Al-Andalus Al-Rateeb*. Dra Sader, Beirut. V. 5, 2008.

c. Periodicals: The author's surname, The author's first name, article title, journal, publisher, country, volume number, issue number, date.

For example: Al-Shami, Altaf Esmail Ahmed, "The cut-off exception in the Holy Qur'an - A Semantic Study", Arts Journal for Linguistic & Literary Studies, Faculty of Arts, Tamar University, Yemen, V. 8, 2020.

d. Theses: The author's surname, The author's first name, department, Faculty, university, date of approval.

For Example: Al-Nihmi, Ahmed Saleh Mohammed, "Stylistic Characteristics in the Poetry of Enthusiasm between Abu Tammam and Al-Buhturi - The Poetry of War and Pride as a Model," PhD Thesis, Department of Postgraduate Studies, Faculty of Arabic Language, Umm Al-Qura University, Saudi Arabia, 2013.

- Then, they shall be all arranged alphabetically, provided that (al, abu, and ibn) are not included in the arrangement. Example: "ibn Manthur" is arranged under the letter "mem'M".
- The researcher Romanizes the references after they are reviewed and approved in their final form by the journal's editorial board.
- The paper should be sent in Word and PDF formats in the name of the editor-in-chief to the journal's e-mail address, i.e.: artslinguistic@tu.edu.ye
- The editor-in-chief informs the researcher of the receipt of his/her paper and its approval for the peer-review or amendments before its approval for the peer-review.

Publication Rules

The peer-reviewed scientific journal *Arts for Linguistic & Literary Studies* is issued by the Faculty of Arts, Tamar University, Republic of Yemen. It accepts publishing papers in Arabic, English as well as French, according to the following rules:

First: General rules for papers to be accepted for peer-review:

- The paper should be characterized by originality and sound scientific methodology.
- The paper should not have been previously published or submitted for any publication to another party, and the researcher has to submit a written undertaking for that.
- Papers should be written in a sound language, taking into account the rules of punctuation and accuracy of forms - if any - in (Word) format.
- Papers shall be written in (Sakkal Majalla) font, size (15), for papers in Arabic; and in (Sakkal Majalla) font, size (13) for papers in both English and French. The headlines are in bold, size (16). The space between the lines is (1.5 cm), and the margins are (2.5 cm) on each side.
- The paper shall not either exceed (7000) words, or be less than (5000) words, including figures, tables and appendices. Any excess required maybe allowed up to (9000) words.
- The researcher must avoid plagiarism or quoting others' statements or ideas without referring to the original sources.

Second: Procedures for Applying for Publication:

The researcher is obligated to arrange the submitted paper according to the following steps:

- **The first page** contains the title in Arabic, the researcher's name and title, the institution to which he/she belongs, his/her e-mail address, and then the abstract in Arabic.
- **The second page** contains an English translation of the contents of the first page (title, name and description of the researcher etc., abstract and keywords).
- **The abstract**, in Arabic and English translation, contains the following elements each: (research objective, methodology, and results), provided that each of them should not exceed 170 words, and not less than 120 words, in one paragraph, and both should also be included keywords ranging between 4-5 words.
- **Introduction:** The paper contains an introduction in which the researcher reviews: an overview of the topic, previous studies, the new contribution that the research will add in its field, research problem, research objectives, research importance, research methodology, and research plan (research sections), providing them in the context without separating titles within the introduction.
- **Presentation:** The paper is presented in accordance with the adopted scientific standards and principles, and the referred to parts and sections, in a coherent and sequential manner.
